Jamey, here is the confirmation on the two remaining CDs at SIBW. I have contacted all eight parties (Mr. Leibovitz by phone) to let them know the CDs have been entered and invited them to call me with any questions.

I guess, technically, the cd says we have to give the defendants instructions, so I will generate a list of the contacts with fax numbers and get it to Genie.

Jamie

Attached is the file-stamped copy of the notice of filing stipulations re: the Janstar and Circuit Express signatures. As I recall, because of the length of the consent decrees, we need to submit hard copies of this notice and the proposed consent decrees to Judge Bolton. I'll take care of that so these last 2 consent decrees can be entered.

Lupita Taylor from our FLU unit contacted me and said she's making arrangements for the wire transfer for the first Prestige payment. I think Lupita has been dealing with Peggy Felon-Gore about the same.

Because our FLU unit assigns matters by defendants' names, Lupita probably won't be handling all the payments for all 8 defendants. Could you or Peggy ask each defendant to contact Genie Miskell, our FLU supervisor, about arranging their respective wire transfers? Genie will then pass the matter along to Lupita or the appropriate person in FLU. Genie's phone is 520/620-7402.

Thanks and let me know if you have any questions.

Mark

Hi Mark. I got the last two stipulations in the South Indian Bend Wash matter. I will mail out to the service list. Could you please forward to Judge Bolton's chambers. Thanks, Jamie
